|          |                | VT Series          | CAN           |                      |

## Note:

- This compatible battery list will be updated with adding new battery models from time to time. The battery brands are not listed in any particular order but alphabetical order. Installing an incompatible battery will void the inverter warranty. Hoymiles will not be responsible for the quality and after-sales service of non-Hoymiles batteries.
